

Trusteer Rapport

Nakon što se ulogujete u aplikaciju SOŽeBANKING vidjećete pop-up prozor koji Vas obavještava da možete preuzeti Trusteer Rapport aplikaciju:

The screenshot shows a pop-up window with a red border and a close button in the top right corner. At the top left is the logo for SOCIETE GENERALE MONTENEGRO. Below it, the text reads "Onlajn bezbjednost na koju se možete osloniti." in red. In the center, there is a white box with a black border containing the heading "Preuzmite IBM® Security Trusteer Rapport®." followed by three bullet points, each with a green icon: a person with a shield, a shield with a virus, and a green arrow pointing right. Below the box is a red button with white text that says "Preuzmite sada". At the bottom left, there are three blue links: "Saznajte više", "Pogledajte demo", and "Podsjeti me kasnije". At the bottom right is the IBM Trusteer logo.

Na samom prozoru imate više mogućnosti i to:

1. Da preuzmete aplikaciju
2. Da saznate više o samoj aplikaciji
3. Da pogledate demo kako aplikacija radi
4. Da odložite preuzimanje i da dobijete podsjetnik kasnije

Ukoliko izaberete opciju **Preuzmite sada** preuzećete aplikaciju koja će se automatski snimiti na Vaš računar. Dobićete i opciju da pročitate uputstvo kako da se instalira sama aplikacija:

The screenshot shows the same pop-up window as above, but with a white confirmation overlay in the center. The overlay contains the text "Hvala što ste preuzeli Trusteer Rapport." and "(ne zaboravite da pokrenete instalaciju nakon što je fajl preuzet)". Below this text are two buttons: "Zatvori prozor" and "Kako da instaliram?". The rest of the pop-up window, including the logo, title, and bottom links, remains visible behind the overlay.

Izborom opcije **Saznajte više** automatski će se otvoriti web site IBM kompanije koja je proizvidjač ove aplikacije. Na ovom web site-u možete pronaći sve bitne informacije o samoj aplikaciji:

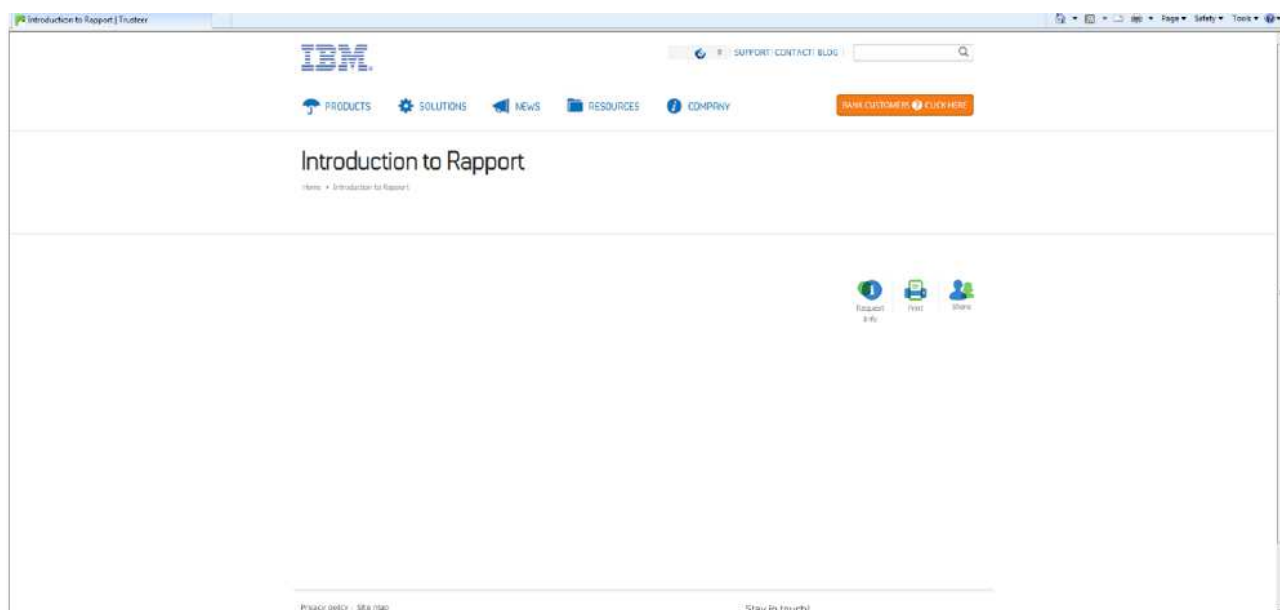

The screenshot shows the IBM Trusteer website. The main heading is "Trusteer is now part of IBM". Below this, there is a large blue graphic of a shield with a circuit pattern. The text describes Trusteer as a leading provider of advanced malware and fraud protection solutions, now part of IBM. It highlights that IBM Security Trusteer delivers a holistic cybercrime prevention platform. The page includes several sections:

- Advanced fraud protection:** IBM Security Trusteer Advanced fraud protection solutions help prevent malware and phishing-driven fraud, detect account takeover attacks and fraudulent transactions, and control mobile fraud risk.
- Infrastructure protection:** IBM Security Trusteer employee endpoint protection, part of the IBM Threat Protection System, breaks the cyber-attack chain at critical points with pre-emptive defense, securing employee endpoints from advanced information-stealing malware that can enable corporate system compromise.
- Global intelligence:** With a dedicated, advanced research team, IBM Security Trusteer's global intelligence enables our service-based platform to be easily deployed and then rapidly adapt to emerging threats and help:
 - Prevent the root cause of fraud
 - Reduce the operational impact of fraud
 - Improve the end users' experience
 - Provide real-time threat intelligence content

On the right side, there are sections for "Contact IBM", "Considering a purchase?" (with an "Email IBM" button and phone number 1-877-257-5227), "Customer Support" button, "How to Protect Our Digital World from Cyber Attacks" (with a graphic of a laptop and a play button), and "IBM Trusteer Rapport Downloads" (with a "Download" button).

Ukoliko izaberete opciju **Pogledajte demo** otvoriće se web site IBM kompanije gdje ćete moći da vidite demo kako sama aplikacija funkcioniše
